DOCKETED

JUL 14 2017

Dear members of the Arizona Corporation Commission,

DOCKETED BY
GB

It has come to my attention that APS is trying to raise our rates. As a small business owner, APS wants me to pay for my electricity without gaining any additional benefits, such as opportunities to further reduce my bills. APS proposing an unfair rate increase that only further pads their bottom line while hurting mine. Please vote for small businesses and tell APS not to raise their rates – including the monthly basic service charge.

Regards,

Erica Meshinsky
